

Glen Eden Community House Out of School Care Programme

Term 1 2019 Newsletter

Welcome to our first Newsletter for 2019

The staff have decided to reintroduce a Term newsletter for the families to gain information and be informed on some of the activities that the children have been doing while at Out Of School Care. This is a work in progress and will develop as we continue through out the year. Please give us feedback on what you would like to see included. The newsletter will be emailed out during the last week of each School Holiday Programme.
