## Welcome Back !!!

Welcome back to all our existing families and welcome to all our new families.

Last year we collected food and household items for the local Pataka and the Out of school care kids helped to deliver to our local community pantry located on Aquarius ave, they really enjoyed the walk.

Fundraising last year for both Out of school care and Playgroup was Jack n Jill photography. Thank you to the families who supported us.

### Christmas 2019, Santa comes to Glen Eden

Thank you to our children in out of school care who helped make the stars for the "make a wish tree". Out of school care and Playgroup had a shared tent with a raffle and free flag making activity, seeing the familiar faces of our families really made our day.

### Christmas School Holiday Programme

Just before Christmas we ran a Christmas programme, our kids made Christmas crafts and played Christmas and holiday themed games. On the last day we held a Christmas party where the kids were very lucky to get a small gift each and the staff put on a lunch for them. Was fantastic to see new and current families attend in this last week.

### January School Holiday Program

Sun, Sun, Sun, it was very Hot in January but we still managed to have lots of fun with water play which included an epic slip n slide and other outdoor activities. One of our crafts was Ocean life art which looked amazing! And baking carrot cupcake muffins just to prove vegetables can taste yummy.

Recipe on next page.
